Notes

1. Number excluded due to errors and omissions (weighted): 544 female domestic violence group. 316 other clients (cases with no information on service requirements or provision).
2. Table excludes high-volume records because not all items were included on the high-volume form.
3. In groups of service types, an accompanying child may require more than one type of service within the group. Percentages for broad groups relate to all needs and not to support periods. For individual types of services, a need can be recorded only once within a support period, so percentages relate to accompanying child support periods.
4. To ensure confidentiality some cells in this table have been replaced with (*). While these cases are not presented separately, they are included in the total.
5. Figures have been weighted to adjust for agency non-participation.
