# Acknowledgments

This report was compiled by Frieda Mason. Contributions of a number of colleagues are gratefully acknowledged.

Thanks are due to colleagues in the Aged and Community Care Division of the Department of Health and Aged Care for supplying the data behind this report and for making critical and helpful comments on early drafts.

Technical support and advice from within the Australian Institute of Health and Welfare was freely given by Rod Hall and Michael Paxton of the Data Management Unit.

Dr Diane Gibson and Dr Peter Braun of the Australian Institute of Health and Welfare provided useful comments and other valuable assistance with the compilation of the report.

Finally thanks are due to Amanda Nobbs who arranged publication of the report.
