

## About this document

This document is a supplement to the AIHW publication *Juvenile justice in Australia 2006–07* (cat no. JUV 4).

## Symbols used in the tables

n.a.	not available
–	nil, including null cells
n.p.	not published

## Note

Percentages in tables may not add to 100 due to rounding.

Tasmania has incomplete detention data resulting in higher reported numbers in detention, and longer periods of supervision (see *Juvenile justice in Australia 2006–07*, Section 2.3.3 Data quality and coverage).
