

## Abbreviations, acronyms and symbols

|           |  |        |                        |
|-----------|--|--------|------------------------|
| AACR      | Australian Association of Cancer Registries                                    |        |                        |
| ABMTRR    | Australasian Bone Marrow Transplant Recipient Registry                         |        |                        |
| ABS       | Australian Bureau of Statistics  |        |                        |
| ACCORD    | Australian Coordination Committee on Organ Registries and Donation             |        |                        |
| ACIR      | Australian Childhood Immunisation Register                                     |        |                        |
| AGPS      | Australian Government Publishing Service                                       |        |                        |
| AIDS      | Acquired immune deficiency syndrome  |        |                        |
| AIHW      | Australian Institute of Health and Welfare                                     |        |                        |
| AIHW DSRU | Australian Institute of Health and Welfare Dental Statistics and Research Unit |        |                        |
| ANZOD     | Australia and New Zealand Organ Donation Registry                              |        |                        |
| AusDiab   | Australian Diabetes, Obesity and Lifestyle Study                               |        |                        |
| BMI       | Body mass index  |        |                        |
| CHD       | Coronary heart disease   |        |                        |
| DHFS      | Commonwealth Department of Health and Family Services                          |        |                        |
| DMFT      | Decayed, missing or filled permanent teeth                                     |        |                        |
| FORS      | Federal Office of Road Safety  |        |                        |
| GDP       | Gross domestic product   |        |                        |
| GP        | General practitioner   |        |                        |
| HACC      | Home and Community Care  |        |                        |
| Hib       | Haemophilus influenzae type b  |        |                        |
| HIV       | Human immunodeficiency virus   |        |                        |
| ICD-9     | International Classification of Diseases, 9th Revision                         |        |                        |
| ICD-9-CM  | International Classification of Diseases, 9th Revision, Clinical Modification  |        |                        |
| ICD-10    | International Classification of Diseases, 10th Revision                        |        |                        |
| IVF       | In-vitro fertilisation   |        |                        |
| NCHECR    | National Centre in HIV Epidemiology and Clinical Research                      |        |                        |
| NHF       | National Heart Foundation  |        |                        |
| NHMRC     | National Health and Medical Research Council                                   |        |                        |
| NMSC      | Non-melanocytic skin cancer  |        |                        |
| NNDS      | National Notifiable Diseases Surveillance System                               |        |                        |
| NSFA      | National Stroke Foundation of Australia  |        |                        |
| PSA       | Prostate-specific antigen  |        |                        |
| PYLL      | Potential years of life lost   |        |                        |
| SIDS      | Sudden infant death syndrome   |        |                        |
| STD       | Sexually transmitted disease   |        |                        |
| TB        | Tuberculosis   |        |                        |
| \$        | dollar   | m      | million                |
| -         | zero   | MJ     | megajoule              |
| %         | per cent   | ml     | millilitre             |
| ≥         | greater than or equal to   | mmHg   | millimetres of mercury |
| ≤         | less than or equal to  | mmol/L | millimoles per litre   |
| '000      | thousand   | n.a.   | not available          |
| g         | gram   | n.n.   | not notifiable         |
