Notes

1. Data include accompanying children.
2. Adjustments have been made for missing data (see Appendix 2).
3. People may make more than one request for accommodation in a day. Data in this table are based on the first valid request made by the person/group (see Glossary).
4. Only data from agencies that participated in all 3 collections (the Client Collection, the Unmet Demand Collection, and the Met Demand Collection) are included. Consequently, the figures understate the level of activity in SAAP agencies.
5. Figures are unweighted.
