

## Installing Omnissa Horizon Client via Mac App Store

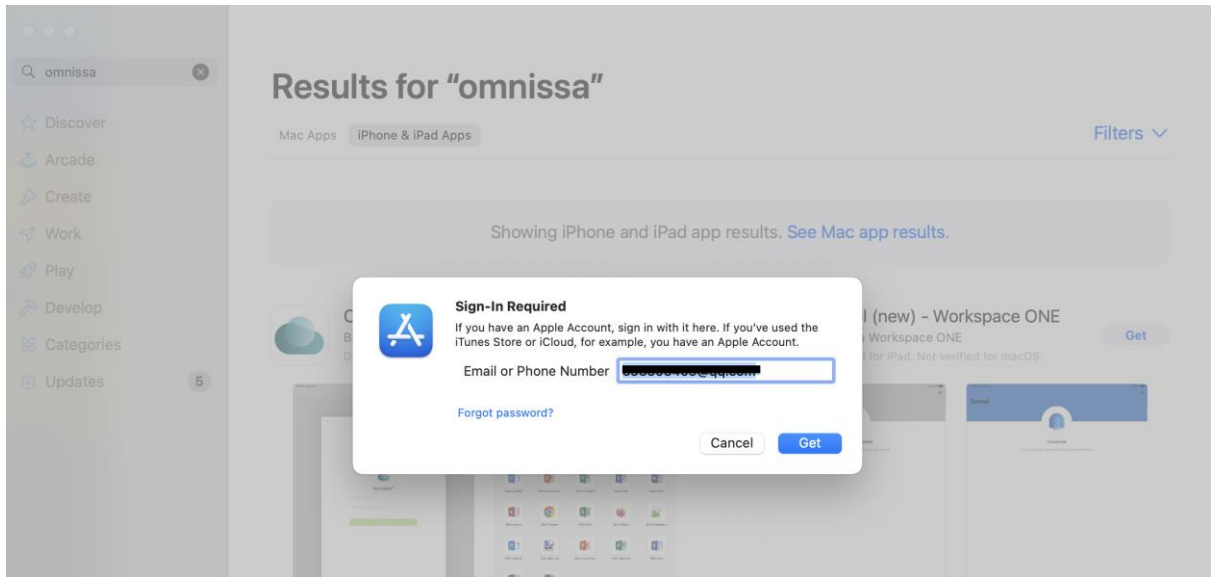

1. Open the **App store**

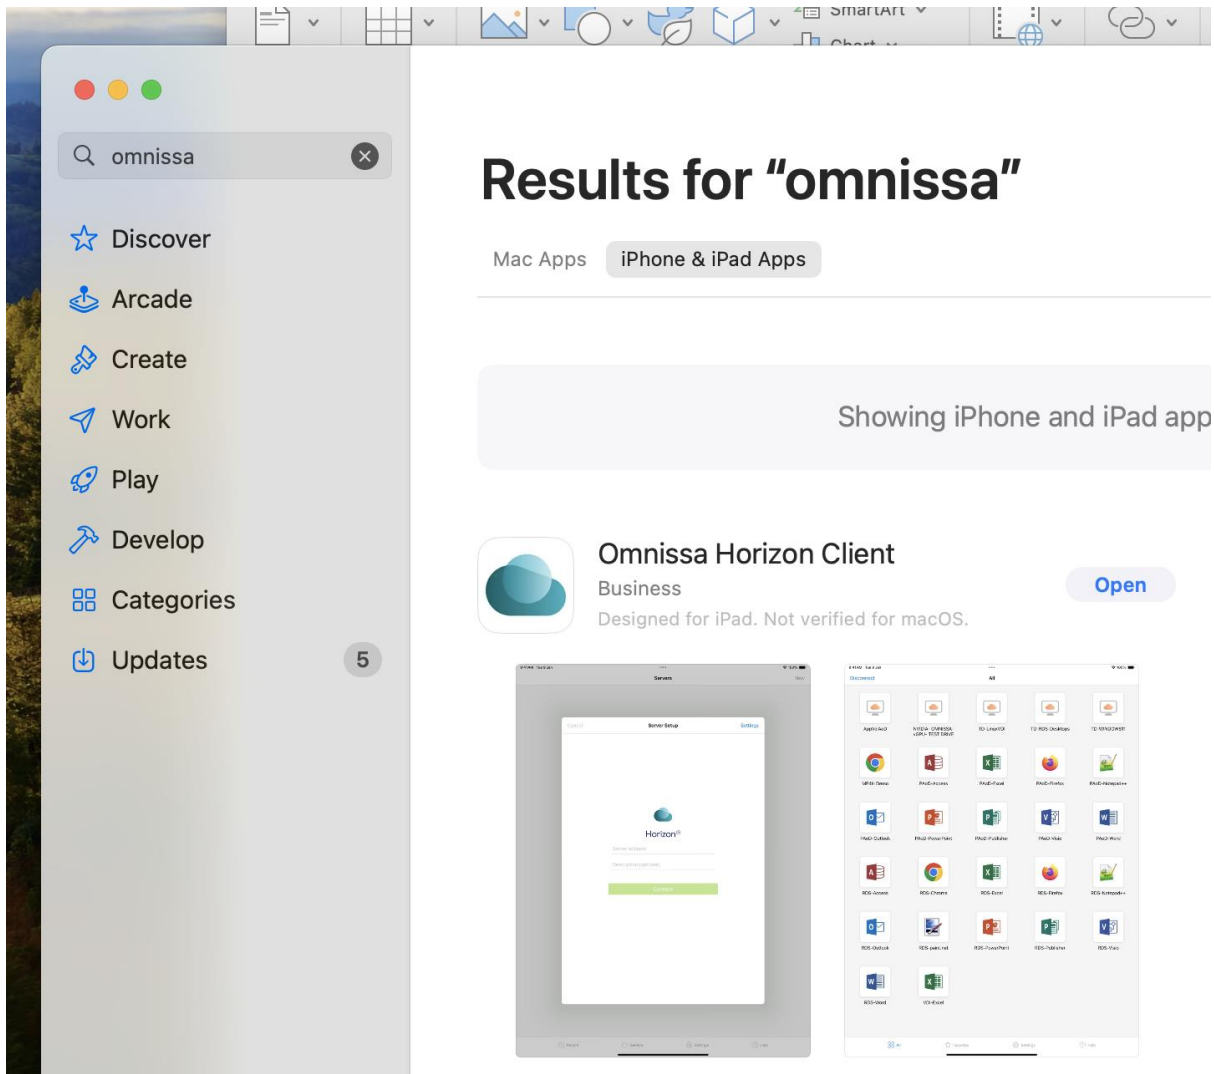

2. Search for **“omnissa”** in the top-left search bar, select **Omnissa Horizon Client**, and click **Get** → **Install**.

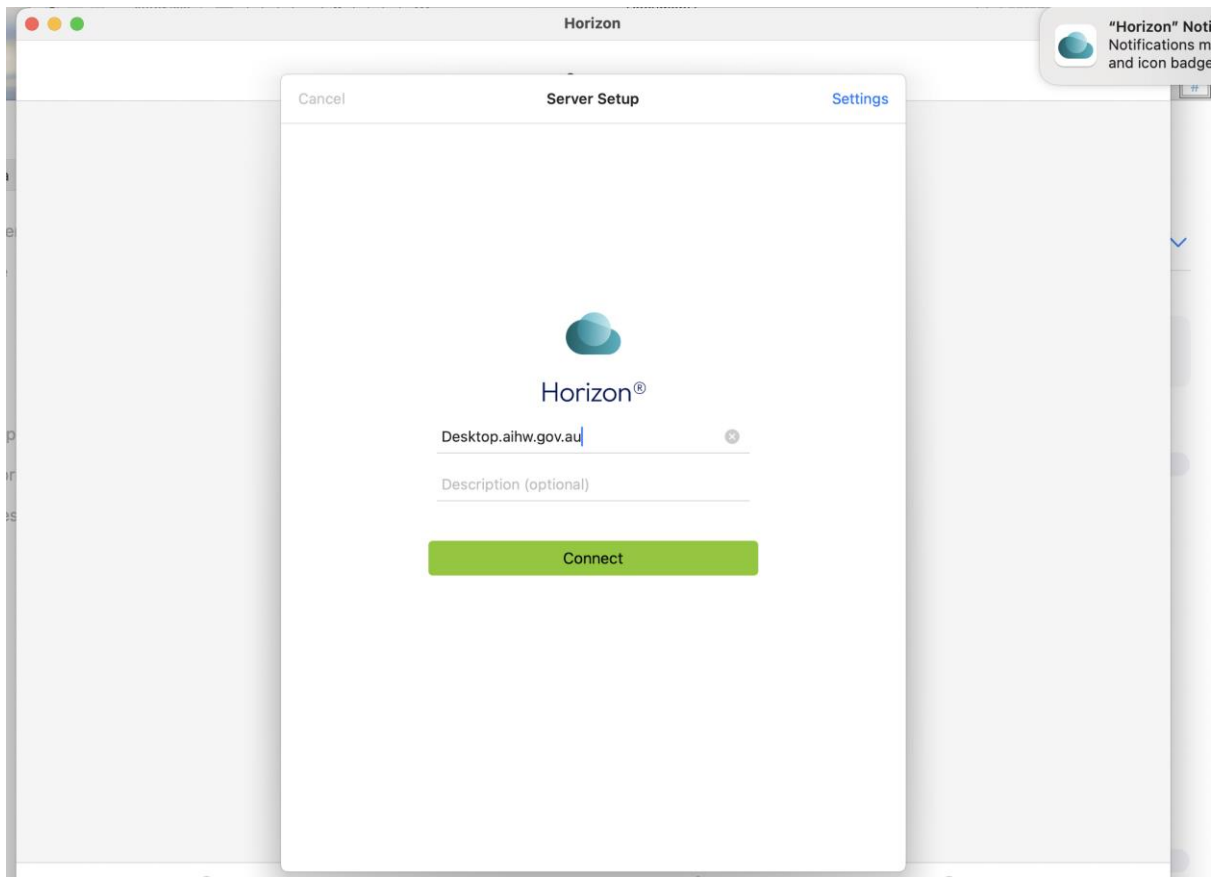

3. Please sign in using your **personal Apple account** (not your AIHW account), then click **Get** and enter your Apple ID password.

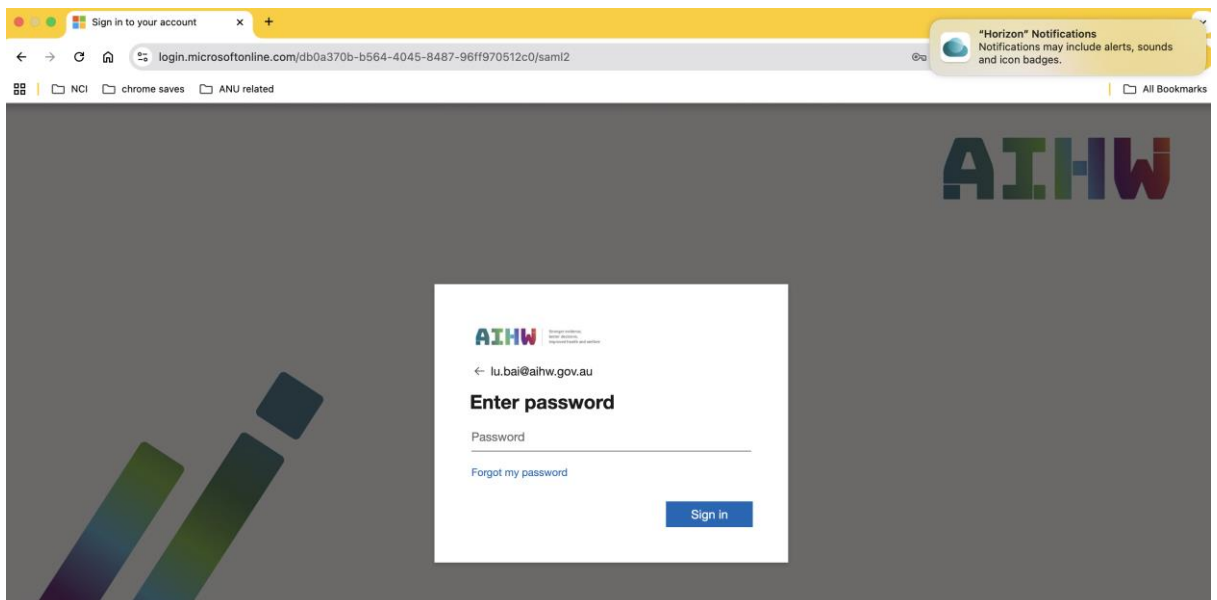

4. Once the installation is complete, click **Open** to launch the application.

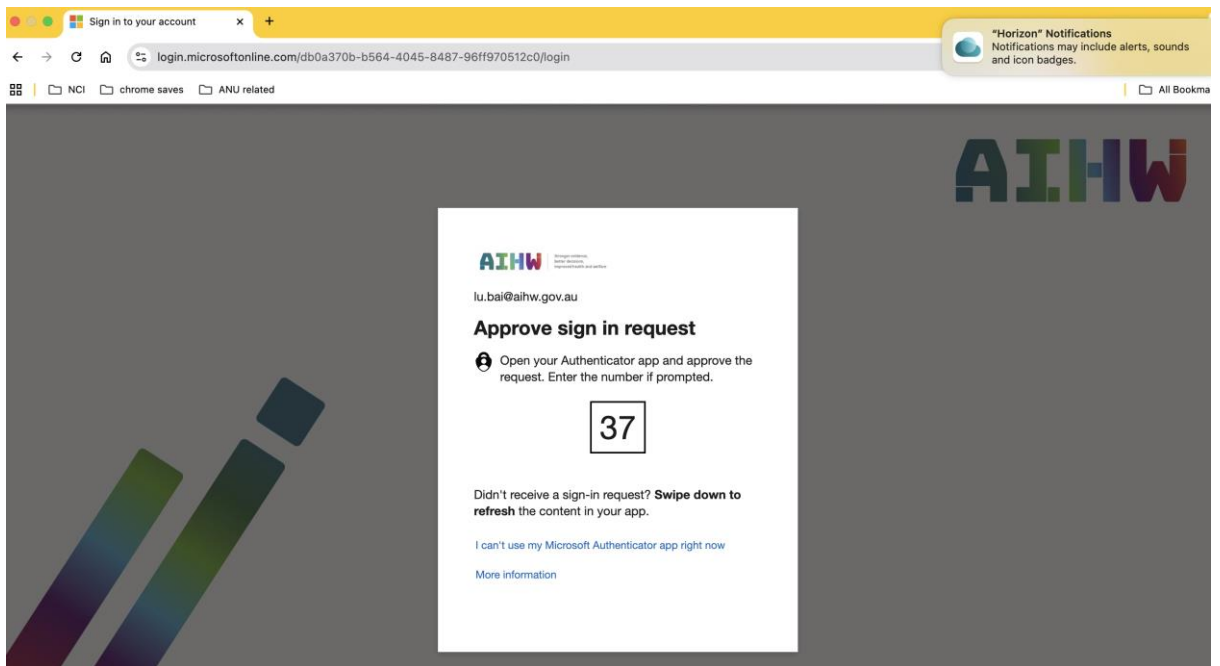

5. Please enter Server Address “**Desktop.aihw.gov.au**” and “**Connect**” it

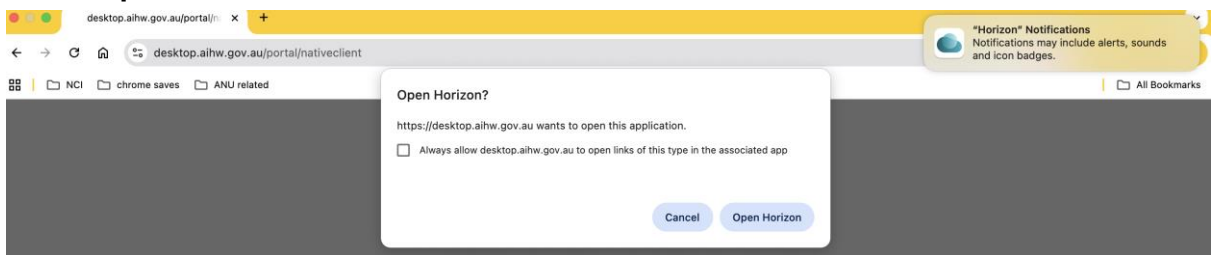

6. Please sign in use your **aihw** account and password

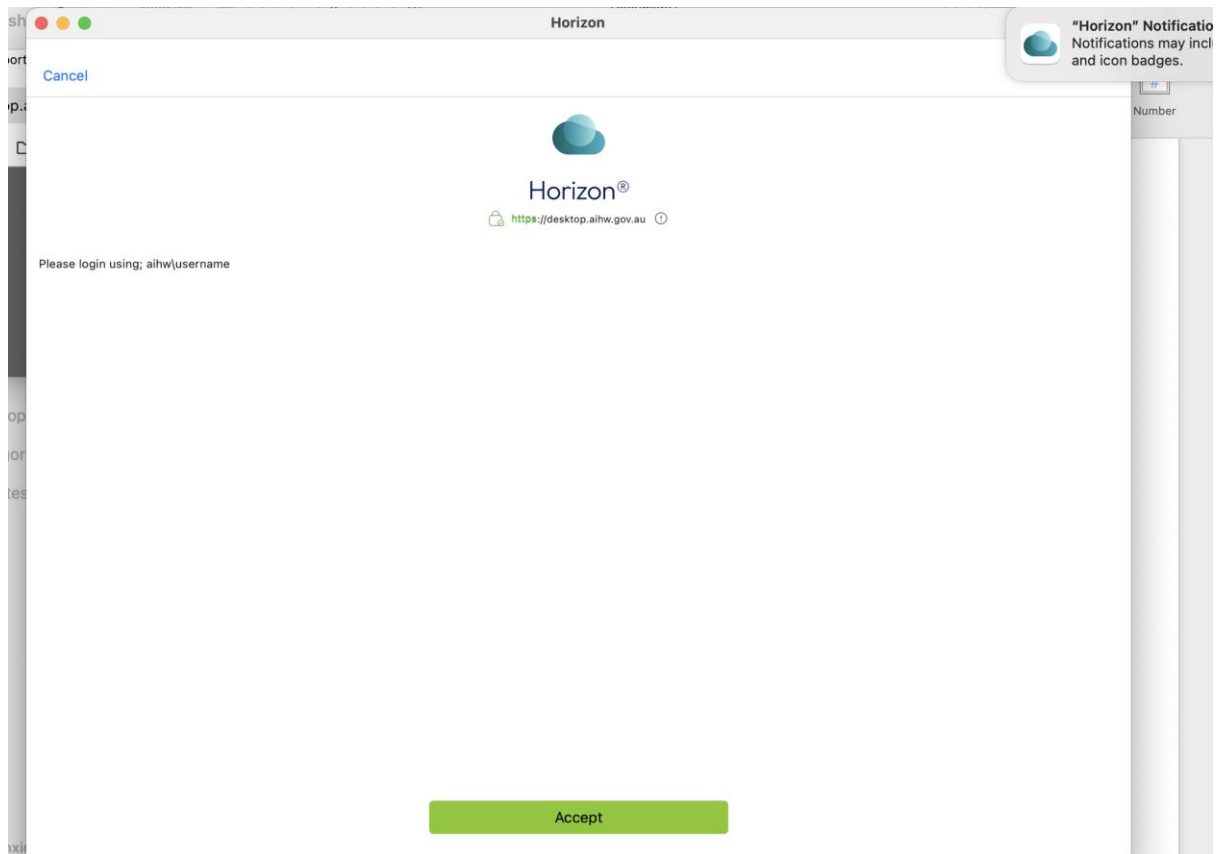

## 7. Approve the sign-in request on your phone's Authenticator app.

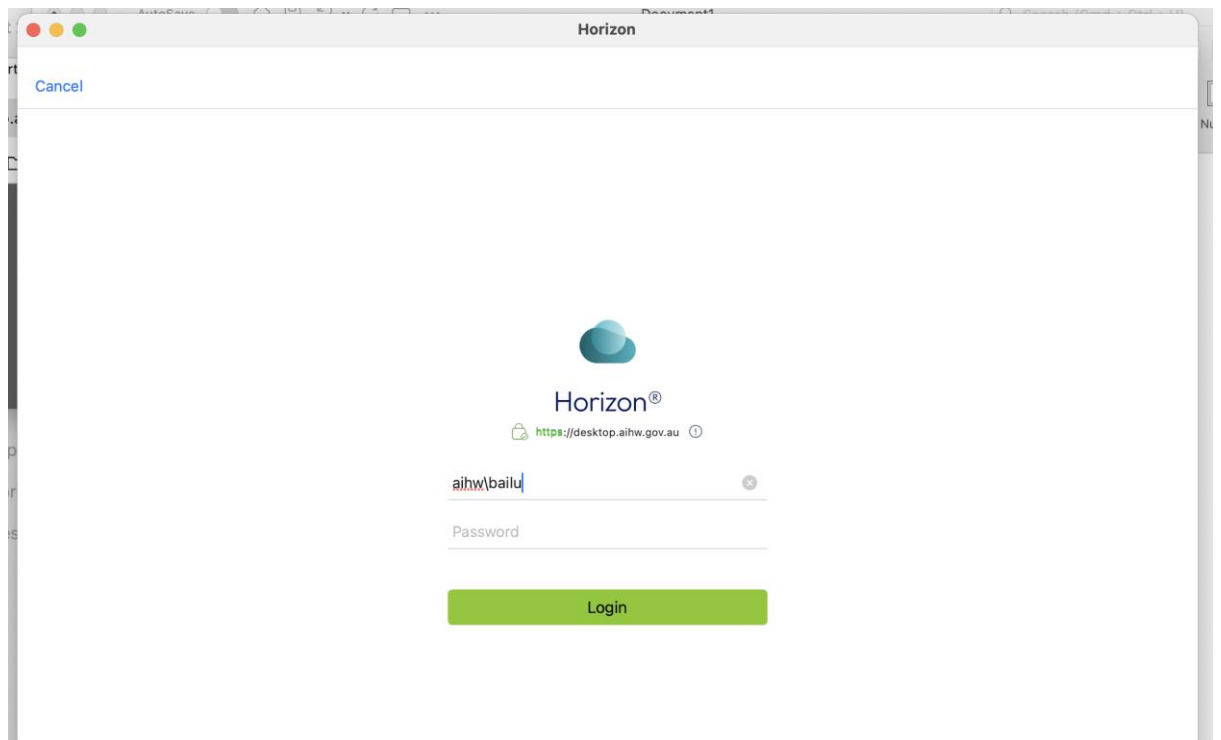

## 8. Click "Open Horizon"

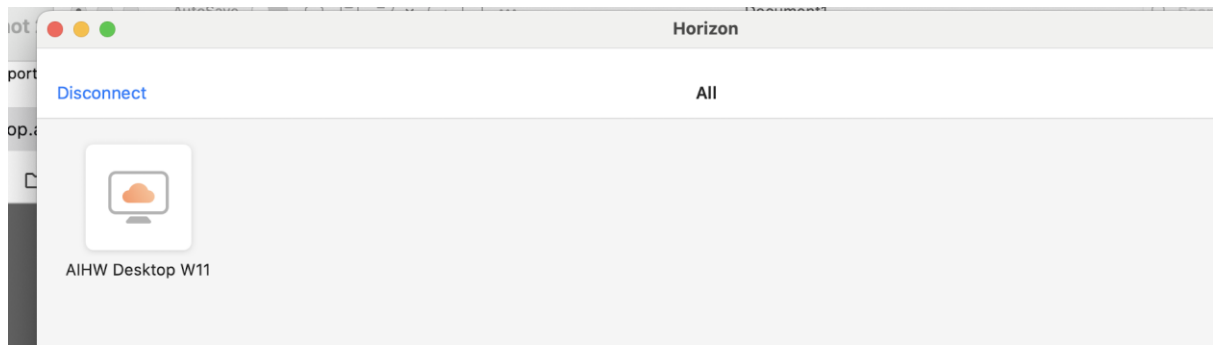

9. Click “Accept”

10. Log in using **aihw\username** and your aihw password

11. Click **“AIHW Desktop Win11”**

12. You will be successfully logged into VMware Horizon.
