

Appendix 1 The data

General information to help readers interpret the tables presented in this report is given in Appendix 1 of the national report. Additional information relevant only to the tables for South Australia follows.

(a) 'Agencies' refers to the number of agencies that were 'in scope'—that is, that should have been participating in the reference period.

(b) 'Valid consent' here refers to all forms with a valid statistical linkage key (see 'statistical linkage key' in the Glossary).

Note: Table based on forms returned from agencies in scope for the Client Collection during the reference period. Not all agencies funded under SAAP are required to participate in the Client Collection. For example, agencies that provide only support to other agencies or casual assistance lasting less than 1 hour on a given day and which is not of an ongoing nature are not required to participate in the collection. Consequently, some agencies funded under SAAP (see Chapter 2) are not included in this table.

COMPLETED FORMS WILL BE KEPT STRICTLY CONFIDENTIAL

If you have any problems completing this form please telephone the SAAP NDCA hotline on 1800 627 191 or email ndca@aihw.gov.au

RETURNING FORMS TO THE NDCA

- In the first week of each month, send the forms of *clients who have left the agency in the last month* to the NDCA in the prepaid envelope provided.
- **Forms should reach the NDCA by the 15th of each month.**
- Include a completed Form Return Sheet with your forms. If no clients left your agency in the last month record **zero** forms to return on the Form Return Sheet. This ensures that your agency is counted as participating in the National Data Collection. The NDCA is required to notify State/Territory funding departments of agencies that do not return forms (or Form Return Sheets) each month.

30 JUNE 2005 AND 31 DECEMBER 2005

- In the first week of July 2005 and in the first week of January 2006, you should notify the NDCA of clients who are still being supported as at 30 June 2005 and 31 December 2005.
- For clients who are ongoing at 30 June 2005, refer to the *July 2005 Transfer Guide* and transfer the information from the old 2004–2005 form to the new 2005–2006 form. Return the old form to the NDCA along with the forms of *clients who have left your agency in the last month*. Retain the new form in your agency until the client has finished his/her support period.
- For ongoing clients at 31 December – use the December Form Return Sheet and note in the box provided the number of clients being supported on 31 December 2005. It is important to send in a December Form Return Sheet even if you did not have any client forms to remit or you had no ongoing clients.

If you do not need the materials sent to you, please return them in the NDCA Reply Paid envelope.

Glossary

Accommodation period	The period during which a <i>client</i> was in SAAP <i>supported accommodation</i> . A client may have no accommodation periods or one or more accommodation periods within a <i>support period</i> . The dates on which each accommodation period began and ended during the support period are collected for clients but not for accompanying children. However, it can be reasonably assumed that an <i>accompanying child</i> will have the same accommodation period start and end dates as their parent(s) or guardian(s) in the majority of cases.
Accompanying child	A person aged under 18 years who: <ul style="list-style-type: none">• has a parent or guardian who is a SAAP <i>client</i>; and• accompanies that client to a SAAP <i>agency</i> any time during that client's <i>support period</i>; and/or• receives assistance directly as a consequence of a parent or guardian's support period.
Accompanying child support period	Each <i>support period</i> in which the child either accompanies a parent or guardian to a SAAP <i>agency</i> or receives assistance as a result of a parent or guardian's support period. Within an accompanying child support period the child may receive one-off assistance and/or support over a period of time. Since the child may not be supported for the entire duration of a parent's or guardian's support period, it is not possible to assess the exact length of support for an <i>accompanying child</i> .
Agency	An organisation or establishment that receives a specified amount of SAAP funds to provide services.
Alpha code	A predetermined combination of letters from a client's name, together with a letter designating the client's sex. A 'valid alpha code' is an alpha code that is given with informed consent, and contains only letters from the alphabet and ends in either M or F to indicate the client's sex.
Client	A person who is <i>homeless</i> or at imminent risk of homelessness who: <ul style="list-style-type: none">• is accommodated by a SAAP <i>agency</i>; or• enters into an <i>ongoing support relationship</i> with a SAAP agency; or• receives <i>support</i> or assistance from a SAAP agency which entails generally one hour or more of a worker's time, either with that client directly or on behalf of that client, on a given day. <p>This includes people who are aged 18 years or older and people of any age not accompanied by a parent or guardian.</p>

Closed accompanying child support period	<i>An accompanying child support period associated with a closed support period.</i>
Closed support period	A <i>support period</i> that had finished on or before the end of the reporting period – 30 June 2006.
English proficiency group 1 countries	Canada, Ireland, New Zealand, South Africa, the United Kingdom, the United States of America and Zimbabwe.
English proficiency group 2-4 countries	Countries, excluding Australia, that are not included in <i>English proficiency group 1</i> .
Homeless person	<p>A person who does not have access to safe, secure and adequate housing. A person is considered not to have access to safe, secure and adequate housing if the only housing to which they have access:</p> <ul style="list-style-type: none"> • damages, or is likely to damage, their health; or • threatens their safety; or • marginalises them through failing to provide access to: <ul style="list-style-type: none"> - adequate personal amenities, or - the economic and social supports that a home normally affords; or • places them in circumstances which threaten or adversely affect the adequacy, safety, security and affordability of that housing; or • has no security of tenure – that is, they have no legal right to continued occupation of their home. <p>A person is also considered homeless if he or she is living in accommodation provided by a SAAP <i>agency</i> or some other form of emergency accommodation.</p>
Ongoing support relationship	<p>An ongoing support relationship exists between a SAAP <i>agency</i> and a person if some assistance has been provided to that person, and it is expected that future contact will occur between the person and the agency for the purpose of providing additional assistance. Future contact can be assumed if:</p> <ul style="list-style-type: none"> • a definite appointment has been made with the person to work through particular problems/issues; or • an agreement has been reached with the person to work through particular problems/issues even if a specific appointment has not been made; or • the agency expects the client to return for more assistance within a month. <p>However, an invitation to return to the agency in the future if the need arises does not constitute an ongoing support relationship. Rather it should simply be seen as an offer to enter into a new <i>support period</i> or to provide assistance at some future time.</p>

Recurrent allocations	<p>Amounts of money specifically allocated during the reporting period by a state or territory department either:</p> <ul style="list-style-type: none"> • to a SAAP <i>agency</i> to fund salaries and associated on-costs, and ongoing operating costs; or • for use by each state or territory for such purposes as training, research, evaluation, administration, and asset replacement or purchase.
Referral	<p>For the purposes of the National Data Collection, a referral involves a formal process – not simply the provision of information. A (formal) referral occurs when a SAAP <i>agency</i> contacts another organisation and that organisation accepts the person concerned for an appointment or interview. A referral has not been provided if the person is not accepted for an appointment or interview.</p>
Statistical linkage key (SLK)	<p>A statistical linkage key (SLK) is a derived variable that allows demographic data about the same <i>client</i> to be combined across support periods without the name of the client being recorded.</p> <p>For the purposes of the National Data Collection, a valid SLK is comprised of a valid <i>alpha code</i> and <i>valid date of birth</i> that were supplied for a <i>support period</i> where the client gave informed consent.</p>
Support	<p>Assistance, other than <i>supported accommodation</i>, provided to a <i>client</i> as part of an <i>ongoing support relationship</i> between a SAAP <i>agency</i> and the client. For the purposes of the National Data Collection, support also includes contact with, or work on behalf of, a client for generally more than one hour on a given day. Support may be provided to the client individually or in group sessions.</p>
Support period	<p>Commences when a <i>client</i> begins to receive <i>support</i> and/or <i>supported accommodation</i> from a SAAP <i>agency</i>. The support period is considered to finish when:</p> <ul style="list-style-type: none"> • the client ends the relationship with the agency; or • the agency ends the relationship with the client. <p>If it is not clear whether the agency or the client has ended the relationship, the support period is assumed to have ended if no assistance has been provided to the client for a period of one month. In such a case, the date the support period ended is the last contact with the client.</p>
Supported accommodation	<p>Accommodation paid for or provided directly by a SAAP <i>agency</i>. The accommodation may be provided at the agency or may be purchased using SAAP funds – at a motel, for example.</p>
Unmet need	<p>An unmet need occurs when a SAAP <i>agency</i> worker assesses that a <i>client</i> needs a support service during their <i>support period</i>, and that service is not provided or referred.</p>

Valid date of birth

For the purposes of the National Data Collection, a valid date of birth is the client's date of birth provided with informed consent and for which:

- the day, month and year of birth are completed and not estimated; or
- the day and month of birth are completed and not estimated, and the year of birth is completed (either estimated or not estimated).
