(a) Marital status was collected for separations with specialised psychiatric care only.

(b) Interpretation of differences between jurisdictions needs to be undertaken with care, as they may reflect different service delivery and admission practices, and/or differences in the types of establishment categorised as hospitals. Please refer to Box 3.2 for information.

(c) Data were not available for private hospitals for New South Wales and Tasmania.

(d) Includes separations for which sex was not reported.

**Table I2: Mental health-related separations by country of birth, Australia, 2000–01**

Country of birth	Separations			Patient days	Psychiatric care days	Average length of stay (overnight)	Psychiatric care days per overnight separation
