Acknowledgments

We would like to thank Megan Neale of Four Sectors Consulting and Tanya Wordsworth of the National Data Development and Standards Unit, AIHW, who produced this report for the National Community Services Data Committee. Gloria Jackson and Meera Rajendran also provided valuable comment and support at various stages of the preparation of the report. Trish Ryan, former head of the National Data Development and Standards Unit, AIHW, is especially thanked for her strategic guidance.

We would like to acknowledge the community service providers, St Vincent de Paul, Southbank Hanover Services, Mission Australia and the Salvation Army, who gave up their time to provide valuable practical knowledge as well as the data collection instruments used in the case studies for this report. Without their contribution this report would not have been possible.

We also acknowledge the financial support of the National Community Services Data Committee and the National Data Development and Standards Unit of the Australian Institute of Health and Welfare. The support and direction provided by the National Community Services Data Committee members are acknowledged.
