Acknowledgments

Valuable comments and feedback were received by members of the National Cardiovascular Monitoring System Advisory Committee and members of the Central Australian Rheumatic Heart Disease Steering Committee. Jonathon Carapetis, Alex Brown and Sophie Couzos also provided comments on aspects of this bulletin, as did staff of the Office of Aboriginal and Torres Strait Islander Health.

Angela Kelly, coordinator of the Rheumatic Heart Disease Program in the Top End and Lynette Purton from the Central Australian Rheumatic Heart Disease Program provided data from the rheumatic heart disease registers in the Northern Territory.

Krissa O'Neill's enthusiasm throughout the progress of this bulletin is also gratefully acknowledged.

Assistance with data analysis was provided by Joanne Davies and Kathleen O'Brien. Comments on earlier drafts were received by Lynelle Moon, Sushma Mathur, Paul Magnus, Fadwa Al-Yaman, Jenny Hargreaves and Robert van der Hoek. Their assistance is gratefully acknowledged.

The Australian Government Department of Health and Ageing contributed to the funding of this bulletin.
